

Many things can affect the appearance of color. For best color matching results, a representative job site sample should be cast using materials and finishing techniques that will be used on the project.

Colors shown on this chart represent formulations using medium gray cement and sealed with solvent based Clear Guard[®] Cure and Seal. Variations can be expected due to differences in cement, aggregates and method of application.

 U10 Sonoran Tan	 U11 Autumn Oak	 U26 Lanon Stone	 U20 Smoke
